OR

- B) Sarah, a social media influencer, decided to create a fake account impersonating a celebrity in order to gain more followers and increase her online presence. She used the celebrity's name, photos, and personal information without consent and started posting content on social media platforms. Sarah's actions were soon discovered by the celebrity's team, who reported the matter to the cybercrime cell.

As a cyber law expert, analyze Sarah's actions. Which Section of IT Act 2000 will be applicable and why?
