

## **ACKNOWLEDGEMENT**

I would sincerely want to thank Dr. Devanand V. Shinde, Professor and Director (Hon) Family Counselling Centre, Karve Institute of Social Service, Pune and my Research Guide for giving his valuable time, continuous motivation, constant support and encouragement for completion of my PhD work effectively. Without his support and motivation it couldn't have been possible to complete the task on time.

I would extend my gratitude towards Tilak Maharashtra University – Department of Social Work and PhD for prominent help especially the valuable suggestions given by the Social Work Department Staff as part of support system to complete my thesis / work.

I would honestly thanks the schools who gave me a chance to complete the Data Collection and genuine thanks to the Principals, teachers, School Counsellor and Remedial Teacher of the School for the time to time support to complete the task of Data Collection. I am grateful to the School Principals of Prism Foundation – Mrs. Harshaa Mulay (Director) Phoenix School for Learning Disabilities – Ms. Sushma Joshi and, Maharashtra Mandal English Medium School – Ms. Rupali Mehendale and Ms. Prachi Damle, St. Clare's Convent School – Sister Kripa, Dr. Kalmadi Shamrao School Aundh – Ms. V. Lakshmi Gandhi, Dr. Kalmadi Shamrao School Erandwane – Mrs. Jyothi S. Kadkol from Primary Section and Mrs. Pallavi Naik from Secondary Section, JN Petit School - Dr. Archana Kalra, Balshikshan English Medium School - Mrs. Sanjeevani Bedadur (Primary Section), Mrs. Geetanjali Bodhankar (Secondary Section) and Abhinav School – Dr. Shinde.

Special thanks to Dr. S. W. Deshpande sir and Mrs. Vijaya Puranik madam for their explicit help provided for guiding and verifying the research tool, even gratitude to Mrs. Sonal Bavdekar for giving guidance to design Research tool.

I am grateful to the Library Staff of Tilak Maharashtra University, Karve Institute of Social Work, SNDT University of Social Work, Tata Institute of Social Science, Nirmala Niketan College of Social Work for providing easy accession for the libraries and providing required and available reference for the same.

The researcher attended the conference on “Living with Learning Disabilities - Finding Solutions” and Workshop “Generating Awareness on Special Learning Difficulties”. I am thankful to Ms. Kshipra Vaidya, Dr. Suneel Godbole, Dr. Ashwini

Godbole, Dr. Bhooshan Shukla and Mrs. Uma Kulkarni for imbibing extra knowledge through the conference and workshop attended. Overall Thanks to all speakers who gave add on knowledge about Learning disabilities. My sincere gratitude to Morris Foundation for making available to attend special trainings conducted by non- profit organization Teacher Training Program (TTP), Foundation Course on Education of Children with Learning Disabilities, Parent Education.

I would sincerely give my gratitude to Mrs. Malati Kalmadi for permitting me to do data collection in her institute at Kaveri – Dr. Kalmadi Shamrao Schools. She gave a prompt motivation for me to conduct the research.

I sincerely want to thank Dr. Prashant Vaidande for helping me out to putforth the collected into the SPSS software and even giving guidance for report writing. He was a like a helping hand while writing the thesis and motivator to complete the work. Hypothesis Analysis was an important task to be done. Dr. Raosaheb Latpate from Statistics Department of Pune University gave a valuable help for the same.

I would want to appreciate Dr. Kanchan Deshpande my real supporter and motivator to do the PhD research and helping me out whenever required without any hesitation and provided time to time help. I would specially thank Mrs. Harsha Mulay for providing time to time and individual guidance as on needed. She was like a guide, motivator and knowledge generator for me about developing an understanding of Learning Disabilities.

Special thanks all the 300 parents for giving their valuable time and being patient while answering during Data Collection and even thanks to 87 parents for providing help during pilot study. It was immense challenging and wonderful experience to hear the immense efforts put by the parents inspite of undergoing difficult situation. Individual Thanks to children of the parents as could spend some time in observing their activities.

I would thank Dr. Kanojia for his guidance regarding publication of article in concerned with Ph.D. thesis work. Even would like to thank Laxmi Book Publication for publishing my article in their Indian Streams Research Journal volume 6 issue – 7, August 2016. Special thanks to chief editor Mr. H. N. Jagtap for the same.

Exceptional Thanks to the Lila Poonawalla Foundation, the non- profit organization with whom I was working for three years for being motivator and giving concession for my PhD thesis work at times. Even to City Pride School with whom I am presently working for providing motivation to complete the task. I would also like

to thank my real inspiration Mrs. Shubhangi Khasnis and Mr. Prasanna Rabade of Disha Psychological centre for boosting my confidence

Last but not least I would like to thank my family members for their support and help especially my husband and child. I would like to thank my parents, in-laws and all my connected family members and friends for continuously building a motivation in me to complete this whole task. Without their blessings and support it wouldn't have been possible for me to complete the task.
