Philosophy and Sociology of Education

This book presents a lucid account of the major philosophical and sociological discourses that shaped modern education. It examines the various theoretical underpinnings and normative frameworks that have got embedded in the arena of higher education. This book is useful for students pursuing higher education in social sciences, teachers, social scientists and stakeholders in the field of education.

Vishal Jadhav is an Assistant Professor of Sociology at University of Mumbai. He has to his credit several articles in various international and National journals and has also contributed chapters in edited books. He has been invited on numerous occasions in the capacity of a visiting fellow to Institute of Development Studies, University of Sussex and University of Johannesburg. He is also the recipient of the Dudley Seers Memorial award for the best article in the Journal of Development Studies.

"...a book that captures the gist of the history, philosophy and sociology of education." Professor Vivek, University of Mumbai.

"...education and its true purpose" Professor Sarjerao Salunke
